---	--------------

If you're hunting for a single storey home that won't break the budget, then look no further than the Eve 15. Packed with practicality, the Eve features three bedrooms including a master suite to the front of the home with ensuite and walk-in-robe and integrated kitchen, family and dining spaces.

FROM **\$185,990\***  
inc of Fast As discount.

Floorplan based on the Vista facade.

Image includes items not provided by Australian Building Company including landscaping, timber decking, fencing and driveway. Image includes upgrade items including render and external lighting. \*Minimum block width is subject to orientation and fall of land and developer and council guidelines. This information is to be used as a guide only and Australian Building Company makes no warranties about the accuracy or completeness of the information. Total squares and building size of the home is calculated by measuring from the external side of external walls. Where no external wall exists for the purpose of measuring building area (such as porticos, balconies or outdoor rooms), Australian Building Company assumes a straight line between the exterior of walls or columns.

It's home building
